

Donner Centennial Heralded as Success

Party's Fortitude Cited as Example During Memorial

Summit Beard Judged Finest In Whiskerino

"As we think of the hardships and the difficulties they encountered on their journey...the privations caused by hunger, thirst and cold...may their fortitude inspire us with fresh courage and undaunted faith in bravely meeting the problems which confront us in our day and generation."

These words from the invocation by Bishop Noel Porter of Sacramento, who presided at the Donner Centennial memorial service at Donner monument Sunday, this service was part of a two-day observance of the 100th anniversary of that pioneer party, sponsored by Truckee Post, American Legion, one of the most successful events ever staged here.

The principal speaker for the service, Carroll D. Hall, curator of Sutter's Fort, gave an interesting explanation of the history, formation and significance of the Donner Party to an interested crowd at the monument.

He pointed out the relative prosperity of many members of the party, showing not necessarily but desire spurred them westward. He traced their trek from their accidental and informal formation, over the plains and desert, through the tragic winter at Donner Lake and Alder Creek, to Sutter's Fort. Special emphasis was placed on the singular heroism and sacrifice of Charles T. Stanton, a bachelor member of the party.

Hall also, in the talk which was transcribed and rebroadcast by stations of the McClatchey system, praised the work of the late C. F. McGlashan, historian and former editor of the Truckee Republican, as a chronicler of the party's epic.

C. A. Tollefson of Truckee was moderator for the memorial service and introduced the following descendants of the Donner Party who were in attendance: Benjamin Babcock, Evans, Wash.; Elbert R. Church, Alameda; John App, Jamestown; Eliza P. Houghton, Los Angeles; Stanley W. Houghton, Long Beach; Mrs. Wm. C. Newlin, Springfield, Ill., all descended from Captain George and Tamsen Donner; Roy F. Williamson, Berkeley, grandson of Nancy Graves; Leo B. Murphy, Marysville, son of W. B. Murphy; L. E. Harlan, grandson of George and Mary Harlan, leaders of a party immediately preceding the Donners over the trail; and Henry Tucker, grandson of Reasin Tucker, leader of two Donner Party relief expeditions.

PTA Teachers' Reception Slated for Friday Night

Eight o'clock tomorrow evening, September 27, the Truckee PTA is sponsoring the annual reception for teachers in the local schools. The affair will be held in the high school building. Mrs. William Gautsche is chairman of the refreshments committee and Mrs. Rex Hoseley is entertainment chairman.

While all parents and friends are urged to attend, Mrs. Irene Englehart, publicity chairman, especially asked that fathers make a special effort to be on hand to get acquainted with the local instructors.

Group Enjoys Ride Over Trail of Donner Party

Led by P. M. Weddell of San Jose, a party rode horseback over historic Donner Trail between the lake and Alder Creek camp sites, seven miles apart, Friday. Brush and second growth timber had overgrown this trail and the Truckee chamber of commerce, in preparation for the Donner Centennial, undertook to have this portion of the trail cleared for horseback riders. Weddell, who for the past 20 years has blazed and marked the Donner Trail, headed the party of workers put in the field by the chamber.

In the party was 7-year-old Kay Anderson of Reno, who descended from a companion of Lansford Hastings with the party just ahead of the Donners 100 years ago; her mother, Mrs. Francis Anderson; her grandfather, L. E. Harlan, and Mrs. Margaret Edmunds, local horsewoman. The riders reported the trail in excellent condition.

Veterans' Advisers Due In Truckee Tomorrow

Truckee and Tahoe area veterans will have an abundance of experts to aid them in the solution of any problems they may have in connection with their service or privileges arising therefrom tomorrow, September 27. In addition to the regular weekly visit of the contact representative of the Veterans' Administration in Reno, the county service officer, W. N. McCormack, will also be on hand at the Veterans' Memorial Building in Truckee.

Commander Daryl E. Gaennie of Truckee Post of American Legion this week expressed his gratification to all who aided that organization in making the Donner Centennial last weekend the great success it was.

The dance on Saturday night featured judging of the whiskerino conducted in advance of the event. Bill Davis of Soda Springs took first honors for the most outstanding; Ray Roberts was judged the most handsome; Bob Gifford, heaviest; Clifford "Duke" Mathis, most unique, and Angelo Besio was credited with having made the most noble if futile attempt.

In the costume judging at the dance Annie Tonini and Mrs. Tony Gallarini shared ladies' honors while Bill Englehart Jr. and Bob Gifford topped the men's class.

Parade plaques were awarded to the Wyethia Club, first; Pythian orders, second, and special award was made to Mrs. Dan Smith and Mrs. J. H. Bernard as a walking entry, all in the Truckee parade Saturday. At the Tahoe parade, preceding the golf tournament Sunday, the Pythian float was first and O. T. Schumacher was awarded the second plaque.

The golf tournament was won by Albie Berg of Tahoe Tavern, Senator Ken Johnson of Carson City was second and Carl Bechtoldt Jr., Tahoe, was third. A more detailed account of this event will be found on Page 2.

In the other events, Leroy Brown and Andy Garcia won the bicycle races; a team led by Eugene Gini won over Jay Rabin's team in the fire hose fight; Charles Grigg and Dick Loynd won the sack race events and the women's egg race was won by Carol Lung. The tugs-of-war were declared a tie between the three teams entered and 14 turkeys were won at the shoot with several local marksmen cracking the plates.

Guests Provide Program At Monday Rotary Meet

Their guests provided the program for the Rotary Club meeting Monday night with a series of short talks. These included Clyde Boucher, R. Miller, Aubrey Renshaw, Wm. Lester and Ray Smith, Barstow; M. J. Bony, Loyalton; Irving Williams, Bakersfield; Warren Norton, Woodland, and William Rutherford, North Sacramento. Jack Wolf, Folsom, and Earl Stice of Truckee were also guests and Jack Wolert presided.

Ernest Tschopp, Rainbow Tavern, was accepted as a new member and Johnny Ciardella was named as the chairman for a Ladies' Night program on October 7.

Truckee Holds Second Spot as Entry Point

Truckee's state quarantine station retained second place in the state's border station, admitting cars coming into California, during August with a total of 32,035 vehicles, less stages, trucks and locals.

Truckee was led only by Yermo which reported 33,468 vehicles entered the state there.

A total of 110,253 persons were counted on the cars and stages entering California through Truckee in that month.

Lions Plan Charter Night On Evening of Oct. 19th

Tentative plans for the annual Charter Night program were made at last night's meeting of the Lions club at which N. F. Dolley presided in the absence of President R. N. Little and Vice President A. Pace. The dinner meeting will be held October 19 at Capitol Hall. Guests at the meeting last night were Earl Campbell of Covina, G. Donaldson of Oakland, Charles Cross of Tahoe and L. E. Davis of San Francisco.

Three Generations Visit Memorial Service Sunday

One family of descendants of the Donner Party, representing three generations, visited the memorial services Sunday. They were members of the L. B. Murphy family of Marysville, relatives of the late William Murphy, whose father perished during the tragedy at Donner Lake in 1846-47. Besides Mr. and Mrs. Murphy, the party included their daughter, Mrs. H. J. Cheim, and the latter's son, Hieman Cheim.

Ideal Weather Opens Hunting In This Area

Forest Service Commends Hunters for Caution In Forest Use

Good hunting with ideal weather conditions greeted hundreds of hunters on the opening day of the deer season in this district Monday and scores of deer were validated at the various stations before the day ended.

Nearly all of the deer were in excellent condition though on an average they are smaller than in recent years, the large majority being forked horns ranging in weight from 70 to 135 pounds. The largest weighed 195 pounds.

Credit for the first deer of the season went to L. B. Gordon of Lodi who bagged a four-pointer at 6:30 Monday morning near Sardine Look-out Station. A short time later, James E. Woods of Lodi killed a forked horn.

Others locally who bagged bucks on the opening day were R. R. Rockholm, John Moro, Harvey Hocker, Bill Waters, Charles Steffins, C. H. Hixson and Ray Mathes. A party headed by Gaston Hocker killed five bucks near Truckee.

Yesterday Vernon Shattuck and his three brothers, Meredith, Byron and Charles, returned from Babbitt Peak with three nice deer.

Despite the fact that there were nearly as many hunters as deer in the mountains, no casualties have been reported among the former.

According to forest service records, there were 1875 registered hunters in the Truckee area on opening day, but it is estimated that a correct figure would be nearer 2500 as many hunters did not register at the stations.

By Wednesday morning, the forest service alone had validated 118 deer, while a score or more other validating stations have not reported.

A large number of spikes, several does and even fawns have been reported killed.

Hunters were commended by the forest service for the care they used during the opening days of the season in preventing fires. Assistant Fire Control Officer Ralph Throop reports only one violation noted in the many camps visited.

Salvation Army Heads To Meet On Monday

E. E. Westergreen, field representative, and Major Mary Smith of Grass Valley, Nevada County commander, will meet with Daryl E. Gaennie, Truckee chairman for the Salvation Army, on Monday to discuss plans for a subscription drive here soon. The meeting will be held at Gaennie's home at 3:30 P.M.

Collier Draws Fine and Sentence in Court Here

John Collier was fined \$50 and given a 30 day suspended sentence when he appeared before Justice of the Peace R. N. Little this week charged with battery. The complaint was made by Charles Matchem, who charged that Collier indicated a terrific beating Friday night. Constable N. F. Dolley arrested Collier, who pleaded guilty to the charge.

Reno Man Replacing Leitch At Phone Office

Fred Driver of Reno is replacing A. P. Leitch temporarily as manager of the Pacific Telephone and Telegraph Company in this district. Leitch has entered the Mercy hospital at Sacramento for an operation and will be off the job here for several weeks.

From Marysville—Mr. and Mrs. Charles Osburn of Marysville have been visiting the Clarence Osburns during the opening of the deer season.

Visiting Friends—Mr. and Mrs. George Morin, their daughter, Frank, and guest, Rudy Beaver, spent two days in Clyde and Antioch visiting friends.

Parker House Guest—Mrs. Fay Rider of Vallejo is the weekend guest of Mr. and Mrs. E. A. Parker.

At Celebration—Philip Kearney came up from Berkeley to attend the weekend celebration.

Sierra Sun Beams

By WALTER M. BARRETT

The one-buck law doesn't seem to have cut down the number of hunters in this area nor the number of deer killed. Many observers even believe that there are more deer being killed this year than in recent years. This may be accounted for in various ways, the most usual being that a hunter, instead of coming alone to try his skill with the buck, brings his entire family, each equipped with the required license and tags and camps until each member of the family from little sis up to pop get a deer tagged. Continued violations and the terrific slaughter, however, is going to stop sooner or later. Either more strict laws will be passed or the deer will be so few and far between that it will not be worth while to hunt them.

Truckee needs a town band. This was demonstrated most recently at the American Legion's Donner Centennial observance when it was found necessary to hire the Grass Valley band to provide necessary music. We all enjoyed the visiting musicians and they really did a swell job, but all the time we wondered how much better it would have been if we had had our own organization. The Donner Centennial is only one of many reasons why we need a band. It would be an almost indispensable organization during our summer and winter celebrations. We have the talent, the leaders, the reasons, so why not get together and form a real live Truckee band?

Five Local Women Are Inducted Into Order

Five local candidates were initiated in a Grand Temple session of the Pythian Sisters of Nevada on Thursday evening, September 19. Entering the order from Truckee were Alice McGee, Ethel Osborn, Jeanne Dolley, Varian Cooper and Lois Tackett.

Members of Summit Temple No. 79 attending the important meet were Olla Tonini, Laura and Betty Gaennie, Rita Oroz, Edith Pfandler and Julia Ciardella.

Holy Mass Times Are Changed for District

Beginning Sunday, September 29, and until further notice, Holy Mass schedule in this area will be as follows: Truckee, 8 AM; Corpus Christi Chapel, Tahoe, 10 AM; Al Tahoe, Noon. Catechism classes will be held at the Truckee Church every Friday after school and on Sunday following Mass here.

Long-Time Soda Springs Resident Dies In Crash

William Henry Sanders, 60, of the Soda Springs Hotel where he had been employed since the hotel was erected in 1929, died in an Auburn hospital Tuesday morning at 6:30 o'clock from injuries received in an automobile accident just west of Emigrant Gap last Thursday afternoon.

Sanders was widely known to scores of friends as "Curley". He had been on a trip with a light pickup truck and en route home the vehicle got out of control and hit a tree beside the highway. State Patrolman William Gautsche, who investigated, said Sanders suffered a skull fracture, a broken leg and internal injuries.

Prior to his employment at the Soda Springs Hotel, Sanders was employed by the Southern Pacific on Donner Summit.

While it is believed he has relatives in the east, he has no close survivors.

Returns from Visit—Mrs. George McAbee returned last week from San Jose where she visited relatives and friends.

From Grass Valley—Mrs. Leroy Wilson and daughter Susie were Monday visitors from Grass Valley.

Hunting—Mr. and Mrs. R. Catterlin of Oakland went to Webber Lake for the opening day of deer hunting.

Vacation Here—Mr. and Mrs. Bert Weeden of Porterville and Mr. and Mrs. Elden Alger of Washington have been the guests of Mr. and Mrs. Keith N. Weeden.

State Senator?

Assemblyman Allen G. (Scoop) Thurman of the 6th district announced this week that he will seek the state senate post now held by Sen. Jerry Seawell when and if Governor Warren calls a special election to fill the vacancy which will result following the election of Seawell to the state board of equalization on November 5.

Thurman is now completing his fourth term in the lower house where he has represented ten mountain counties. Two of the counties—Nevada and Placer—are in the 7th senatorial district. The third county is Sierra.

The Colfax legislator was first elected in 1938 succeeding Jesse Mayo of Calaveras County, who was elected to the upper house the same year.

Free Buck Stew Slated Here On Saturday Night

The stage is all set for the second big annual free buck stew sponsored by the Truckee Outdoor Sportsmen to be held Saturday night at Capitol Hall where a crowd of between 400 and 500 is expected.

A. G. Bradshaw, president of the local club, said a number of prominent sportsmen's club officials as well as fish and game commissioners are expected at the feast.

A large number of gifts have been donated by the various local firms and will be presented to fortunate guests during the evening. Highlighting these offerings are two guns, a new high-powered rifle and a new shot gun.

The committee in charge has left nothing undone to make the affair a success. Bradshaw said, in extending an invitation to everyone interested in outdoor sports and a free feed, be they members of the club or not.

Sunday a meeting of the Associated Sportsmen's Council will be held at Truckee with the Truckee Outdoor Sportsmen hosts for the event. Nevada and California sportsmen will join in the sessions.

Blow Out Upsets Bus Injuring 5 On Sunday

Five passengers on a west bound Gibson Lines bus suffered injuries none of them serious, when a bus driven by Philip Gerard Myers Jr., 40, Stockton, blew out a front tire and overturned near Boca Sunday morning at 6:15.

Most seriously injured was eight year old Peter Giras of Sacramento, who had a badly lacerated ear and other injuries which necessitated his removal to a Reno hospital.

The other injured, all treated by Dr. J. H. Bernard at Truckee, were Mrs. Perso Giras, 38, the boy's mother; Morco Bilich, 59, Reno; Major H. W. Dieterich, 45, Camp Stoneman and Arago Harrison, 43, Chico.

State Patrolman William Gautsche investigated, saying skid marks and particles of rubber on the highway verified the driver's story.

Traveling—Mr. and Mrs. Robert Carruthers plan to leave this week to visit relatives in Placerville and continue to Santa Cruz on business.

Candidates Visit—All contested candidates for county offices were visitors here during the Donner Centennial. They were Sheriff C. J. Toblissen and his opponent Richard Hoskins; Vernon Stell and James Snell, candidates for superior judge. Judge George Jones was also a visitor Sunday at the memorial.

From Roseville—Mr. and Mrs. G. W. Bryant and their sons, Bill and Edward, have been visiting Mrs. Bryant's brother in law and sister, Mr. and Mrs. H. G. Loehr, this week.

Region's Major Booster Group Has Vital Meet

Major Portion Of Budget Is Earmarked For Advertising

RICHARDSON'S—Fifty members of the Tahoe-Sierra Association gathered at Richardson's at noon Friday to enjoy a turkey dinner and business meeting, the second and last of the season.

Pete Bennett of Brockway Hotel Resort served as chairman in the absence of President Harry Comstock and introduced the speakers.

Al Richardson was reappointed to head a committee to solicit funds for the purchase of a resuscitator for the south-west side of the lake, the association having sponsored a movement which would encourage purchase of a number of these machines for protection of the vacationing public. Stan Myers of Al Tahoe Pines was appointed his assistant. Mrs. Eleanor Swanson called upon for a report of resuscitator fund for the Tahoe City area declared \$344 had been subscribed and other promised donations would cover the cost of the machine, \$440, which may be purchased this fall.

Henry Droste read the financial report of the association. The bank balance is \$10,536.23, one half of this amount being slated for purchase of 100,000 new color folders to be printed next year if possible. A circular letter is being mailed, he said, in the near future to determine how many lake resorts will remain open for winter sports enthusiasts for appropriate advertising.

George Kehlet told of plans for extensive advertising in the season to come and urged members to be liberal in their financial assistance. Because of a few careless resort owners, he said, Tahoe received some unfavorable publicity this year because of unwarranted high prices. This must be corrected, he said, to offset the bad impressions many tourists received during the summer. Most of the resorts maintained low prices and countless old customers returned for their annual visits, Kehlet concluded.

Kehlet told of the association's plan to participate in the Southern California Auto Club's annual outing show this year.

H. R. Jepsen, clerk of Douglas County, Nevada, urged that Tahoe roads and highways be developed to the highest degree of perfection and recommended the members try having the Kingsbury Grade paved, as Highway 935 is the shortest route from Tahoe to Los Angeles. Providing a good highway directly to the lake would bring many tourists this way who now go by more round about routes.

Three Are Taken As Hunting Code Violators

At least three violators have been apprehended by Game Warden Bill Lahmari since the opening of deer hunting season Monday.

Hugo Retting, Sacramento, was fined \$250 by Justice of the Peace R. N. Little for having a spike buck in his possession. John W. McLean, San Leandro, was fined \$100 for having a spike in his possession. McLean brought the deer in after being urged to do so by other hunters, and the fine was minimized by Justice Little.

Charles Baranzni, San Francisco, was fined \$25 by Justice Perkins at Loyalton for using another man's tags on a deer.

Hocker Guests—Guests at the Gaston Hocker home for the Centennial and opening of deer season were Mr. and Mrs. U. E. Phillips, Hayward; Mr. and Mrs. H. Tinsley, Woodland; Mr. and Mrs. A. C. Marts, Auburn; Mr. and Mrs. W. A. Speers, Los Angeles and H. H. Wilson, Sacramento.

Sisters Here—Mrs. P. J. Pasquini and Mrs. George Crease of Bakersfield are visiting here with their brother and his wife, Mr. and Mrs. D. Cabona.

Back from Trip—Mrs. E. J. Campbell has returned from a visit with relatives in the Sacramento Valley.

From San Francisco—Mrs. W. F. Wilkie has returned home after visiting her daughter in San Francisco.

Nevada City, Nevada County seat, was incorporated on March 31, 1851.

NIMRODS REPORT SPOTTY LUCK AT TAHOE FIRST DAY

TAHOE CITY—The first buck known to have been killed in the Tahoe area on opening day was one bagged by Chet Roberts of Meeks Bay in the Emerald Bay region about 7:00 AM Monday morning.

Not until 2 PM did Village Store in town report a buck in the iced meat box and that one was a four pointer, dressing down at 124 pounds, brought in by Howard Benito of Vacaville who shot it on the ridge above town. Bill Bechdolt of Tahoe Inn, accompanied by Dick Carnell and Pete Vanni of Tahoe City, took off about five on opening morning and hunted in the region near the Olympic Ski Canyon and above it. Bill had a shot at a prize five-pointer but the deer was so close he almost stumbled over it and missed. A few seconds later he too a shot at a forked horn but it was only in sight for an instant and he hadn't a chance for a real shot.

A trio of oldtimers who came up on Sunday from their homes below stopped in at Deer Park on the Truckee River and reported their luck poor. They were Art Olson of Petaluma, who lived at Tahoe for 19 years and who has hunted here for 28, Charlie Pick of Fairfax, former Tahoe City resident, and Bob Cramer of Oakland. Olson declared it the first time in his memory he did not get a buck on opening day. To make it worse, the party failed to even sight an antler. They hunted in the area west of Truckee in the Deer Park region, formerly one of the best for good sized bucks.

On Saturday a party left Tahoe Inn for Shanks' Cove, believed in the Gray Horse district, in Hell Hole. They were Carl Bechdolt, Jr., of Tahoe City, Dr. Jones and Walt Whitman of Pittsburg, Jack Dempsey of Tahoma, Scotty Donaldson of Tahoe Park and Floyd Carnell of Tahoe. Bob Seates took them in by pack train and they planned to remain until they got their bucks.

Also leaving on Saturday were Carl Bechdolt, Sr. and Bill Rickett of Sacramento who were headed with Jack Starratt and a pack train into the Hell Hole region. Going in, Rickett was thrown from his horse early in the evening and was forced to return for medical attention. He was examined by Dr. C. B. Pedersen, who has since left for the season, and was reported in a Sacramento hospital with a fractured shoulder blade, a report which was not confirmed at this writing.

Bert Pereira of the Standard station in town reported no bucks sighted on cars traversing the business district at noon Monday.

Eric H. Druhn of Sunnyside, who has hunted with bow and arrow for the allotted ten days before the season opened for gun hunters, suffered only disappointment as he failed to sight a single buck on any of his long hikes into the mountain country.

It is generally agreed here by hunters that the early snow storm which visited the Tahoe area a week before the opening day of September 23 sent the deer into the Hell Hole-Gray Horse region on the other side of the ridge. It is believed that those who pack in to that country will enjoy fair luck.

Partnership

By GEORGE S. BENSON
President of Harding College
Searcy, Arkansas

DID YOU EVER have a joint checking account with somebody? They can be handy things sometimes. So can a tin of gasoline in the basement, but both are extremely dangerous. All parties concerned must, of necessity, have a cooperative understanding about how a joint checking account is to be used, how fast and for what purposes. Otherwise, one party's error might cause the other one trouble, no end.

I wish all the taxpayers in the United States could realize that they have a joint checking account with Uncle Sam. Moreover I wish they might suddenly wake up to the fact that everything they have is in this joint account. If Uncle Sam's stubs are not balanced, or if Uncle Sam's checks are not all numbered, Mr. Taxpayer is certain to have to make it good personally when something "bounces."

A Joint GOVERNMENT can Account assess taxes to the amount of what government needs, or thinks it needs, and that's a matter of judgment. During the war our executives spent money faster than it came in, running the country's debt to 268 billion dollars. However wisely the debt was contracted, it will never be any smaller until government officials begin spending less than they collect from the people by taxation.

There is considerable doubt whether those who spend and those who pay have a cooperative understanding about their joint account. They ought to see eye-to-eye. Victory was cheap, what-

ever it cost in money, but the unpaid portion still has to be met. Moreover the country's best economists think now is the time to start paying off the debt, while nearly all of us are earning good pay.

Balance RECENTLY I saw a Budget summary of proposed federal spending for the next 12 months; a work-sheet from the 1947 budget, currently being considered. This budget can be balanced as certainly as figures can be depended upon to tell the truth. It calls for an outlay of 35.1 billion dollars to come from 31.5 billion of revenue—just 3.6 billion dollars in the red. Such a shortage need not exist.

The deficit can be offset two or three times by economy. Most of the expense items can be deflated some. Such obligations as social security, veterans' benefits, refunds and the interest on public debt are fixed. They can't be cut. But there are seven other general classifications of expense that ought to be deflated about 50% all told. If this over-draft can be avoided it's a duty.

Proposed expenses that ought to be lowered are these:

FIGURES IN BILLIONS		
Items Might Be Cut	From	To
National defense	\$16.0	\$8.9
International finance	1.7	0.2
Aids to agriculture	0.5	0.3
General public works	1.1	0.7
General government	1.6	1.1
Suppl. appropriations	0.9	0.7
Proposed legislation	1.5	0.0
	\$23.3	\$11.9

Albie Berg Tops Field In Centennial Golf Meet

TAHOE CITY—The amateur golf tournament, sponsored as a part of the Donner Centennial by the Truckee American Legion, was played at the Tahoe Tavern links Sunday at 2:00 PM with 20 entries.

Top honors went to the Tavern's orchestra leader, Albie Berg. He score was 75 with Senator Ken Johnson of Carson City placing second with a 77 and Carl Bechdolt Jr. of Tahoe City third with 78. Joe Henry of Tahoe City was low net winner, his handicap giving him 91 less 27. J. M. Sawers of Sacramento was second in this classification.

Carl Bechdolt Sr. of Tahoe Inn was donor of the gold trophies awarded first, second and third place winners. The committee in charge made a number of merchandise presentations along with the trophies. Johnny Perelli, Tavern pro, assisted in conducting the contest and declared he believed the Tavern next season would sponsor an annual tournament between the Truckee and Tahoe year-round residents.

Perelli has made no definite plans for the winter season but may enter some golf tournaments although he has not practiced all summer. Last of the ridge. It is believed that those who pack in to that country will enjoy fair luck.

SUMMIT SCENE

by FRANCES COUILLARD

After last week's frontier display at Truckee and the deer season opening on Monday we have hopes of this week being a quiet one so that the natives may recuperate.

Last Thursday, on our way to town, we picked up Gene Woods. As usual, Gene was flying around from one place to another and in our attempt to keep up with him, we bumped into Connie and "Ma" Euer. First time we've seen Connie this season so we fixed up a little date and that evening Eric Gram, Gene and Lois Woods, Peggy Travis and Art and I went over to the Valley. (We saw a number of deer on the way over, too). Had a grand evening and learned

that the Euer Ranch was booked solid for deer season, as usual. Lon Chaney, whom the natives have gotten to know, will be there for the season. Louis Euer is an inimitable host and we had a lot of fun. (Why is it that it always seems a shorter trip coming out of Euer Valley than it is going in?)

Then Friday evening we were invited to a birthday party at Cisco Pines. (Cisco Pines is opposite Cisco Grove, Jack and Alice Walsh changing the name of their side of the road when they took over last fall). Jack Walsh's son, young Jack, had his majority party. A wonderful turkey dinner was served with all the trimmings. Guests were Herbie Jones and wife, Jean; Mr. and Mrs. Al Bradshaw of Truckee, Mr. and Mrs. Morrison, Johnnie Caruso and wife from Colfax, Mrs. Sadie Noble, O. T. Pratt, Harry Roemer, Peggy Travis, Alice and Jack and Art and I. It kinda took our breath away when Jack presented young Jack with 21 five dollar bills! The guest of honor was

an hour late for his own dinner and Jack had a slogan for the dinner which was, "Always an hour late and a dollar short." Nevertheless, after we got started, it was a wow of a party.

By the way, we had a nice talk with Herbie about the new place. Seems like they are going to start plastering this week which makes that grand opening seem closer and closer. Of course, we heard a lot about the new son and heir, too. Then Herbie announced that he was giving a reward for the naming of his rock castle. The award will be a stay at the lodge with board thrown in. Looks like a localite should be the winner, knowing the country, the location, Herbie and all. Anyway get out your pens and pencils, you contest bugs and try. For further particulars you had better write Herbie Jones at Emigrant Gap.

Woods and Nordstrom have told us that they have taken a two-year lease on Johnnie Ellis' old rope tow near Lake Mary with the warming hut and sandwich shop thrown in. Rolland Galloway will manipulate same.

With the Ski Ranch, Johnnie Ellis' tow, John Zahara's tow and the other tows we hear mentioned that will be in operation this coming winter, the mountain should take on the appearance of a huge fiddle all strung up with rope tows. We hope that the bow, in the form of many skiers will really make the mountain sing this coming season.

Just lent Ralph Rowton. (Ice Lakes) our binoculars to see if he can sight a deer at least! Ralph has been out since early morning and no luck. Just saw Tony Donadio (Donner Summit Lodge) come staggering up the road with his gun over his shoulder and his tongue hanging out—and no deer. However, Ralph did see a couple of hunters returning with deer so it doesn't look too bad.

W. L. Hack, Jr., and Don Lyon (his brother-in-law) loaded an old horse out in front of our house last Saturday morning and took off for Lois Montez Lakes. Willie Hack shot a buck there last year and had high hopes for this year's hunting trip. By the way in the horse's back it looked like the boys were going to stay a week. They were accompanied by Ray Cowhill from Sacramento. The last we saw of them Ray was leading the poor horse. If they get back before this goes to press we

may be able to tell you what luck they had. It's a cinch that they won't have such an easy trip back, for even if they shoot a buck they will still have to carry the horse.

Young Ralph Benham (Ske Tow Whitey Benham's daughter of the Soda Springs Hotel) had a wonderful birthday party last Thursday. The younger set of the Norden School attended. The table was lovely with tapers, candy baskets and all the little incidentals that make a child's party so very lovely and attractive. Ralph received many lovely presents.

It is with regret that we add a somber note to today's column. Wm. (Curley) Saunders was in an automobile accident last Friday. He is in the Highland Hospital at Auburn seriously injured. Said Jack Hogue, one of the old mainstays at Soda Springs Hotel, "It seems like a piece of the mountain has gone." Curley was an employee of Oscar Jones years ago.

The potluck dinner scheduled by the Mother's Club at Norden will be held Thursday, September 26, in the evening. New plans for the Norden School District will be discussed.

Charlie McGlynn, Donner Summit Lodge, is back from the hospital at Auburn, and is very glad to be home. His eye infection is cleared up.

Al and Janie McIntyre were up to see us this last weekend. Al showed pictures of his Canadian trip. (The one where he was lost, caught big fish and shot a bear). It certainly looks like beautiful country—and never have we seen such strings of fish. Sixty rainbow hanging on a rope—the smallest weighing three pounds. What a country! Margie Moore came up the mountain with McIntyres and we were glad to see her.

The Martin Johnson's had a birthday party for Jeannie last Sunday but she had to work and couldn't be at her own birthday party. We were sorry for we always look forward to seeing Jeannie.

We have been invited to go to the CAA station on the tip top of the Summit this next week by Marie Fitzpatrick. Marie is an ardent sports-woman, which includes skiing. She used to be at the Blue Canyon station and tried for a long time to be accepted in the station at the Summit so she could live in this country and ski to her heart's content in the winter. The officials of the CAA thought the climb, the location and the maintenance required for this particular station would be too "tough" on a woman but sheer persistence won out and now she is situated in a house that has to be anchored by cables to keep it from blowing off the top. Needless to say, Marie is happy and very proud—so she wants us to come up and see what is cooking in her station. We will tell you about it in the near future.

The Oakland Ski Club celebrated their eighth anniversary last Sunday with the number of participants being about sixty. This was an interesting climax to four years of hard and gruelling labor. A number of years ago this club assessed their members for their anticipated club, the members doing the work. Notwithstanding the war and the futility of trying for materials, this club laid its cornerstone on this big occasion. The building is a tribute to the perseverance of this group. We hope they will enjoy the completed unit in proportion to their hard work in building it.

In 1850, the Sacramento River fleet of steamers totalled 18 vessels.

Skipper Mandeville Feted On Birth Date at Home

TAHOE CITY—Skipper Mandeville, son of Mr. and Mrs. W. ter Mandeville of Lake Forest, on Saturday was tendered a party at the home of his parents honoring his fifth birthday. A lovely birthday cake and ice cream was served the young guests, following an afternoon of games.

Those attending included Gary and Karen Henry, Stanley Baker and his sister, Judith, Mrs. Lillian Claysen of Kings Beach and children, Judy and Janice, Mrs. Howard Mahurin and son, Douglas, Barbara and Georgine Maderos, Bobby and Jun Huega and Patty and Jean Finger.

Lee Maberry observed a birthday on Friday, September 20, and Howard Mahurin passed another milestone on September 19.

Spinner, Plugs Consistent Lure for Tahoe Rainbow

TAHOE CITY—Fishing news in the Tahoe area has taken secondary interest now that hunting season is on but good catches are still being made by those having time to indulge in the sport.

Last week Pete Vanni and Bert Pereira of the local Standard station tried their luck several days with consistent success. Using spinners and small plugs, the brought back nice messes, all averaging around one half pound each and all rainbows.

Mr. and Mrs. A. L. Galli of Tracy on Sunday made a quick trip from their ranch to their lakeside cottage in the Sunnyside district, returning home Monday. While at Tahoe they arranged to buy one of F. A. Kilner's choice residential lots in the new Rubicon Properties subdivision where they will build as soon as building restrictions permit.

Guests of the Phil Geiers who left for their Chicago home last week were Robert Plowe, cousin of Mrs. Geier, and his wife, who enjoyed their first trip to Tahoe. The Geiers took them for a trip around the lake and to Virginia City, Carson and Reno. Another guests was another cousin of Mrs. Geier, Mrs. D. Archibald, who left for her home in Glendale Sept. 17.

Tuesday night of last week a surprise stork shower was given by Mrs. Hunt of Emerald Bay for Mrs. Vio Bell of Meeks Bay, who is anticipating the arrival of their second child. Many lovely gifts were received and a pleasant evening enjoyed by all. Those present were Mrs. Fred L. Kehlet, Mrs. Fred O. Kehlet, Mrs. Gibson Benadum, Mrs. Ben Callender, Mrs. Paul Kerr, Dacey Kehlet, Dawn Kehlet, Hulda Schaeffer, Mrs. Phil Geier and Mrs. Ed Pringle. Refreshments were served by the hostess.

Mrs. Ted Moore, who left for home with her husband this week, spent most of the summer season at Kings Beach. The Moores have purchased a home in Auburn.

Mr. and Mrs. Louis Gerkin and Mr. and Mrs. Arthur Boone of Sacramento spent the weekend at the home of Mrs. Gerkin's parents, the Henry Solls of Tahoe Pines. The men unsuccessfully tried their luck at locating some bucks.

Mrs. Ruth Ables of Tahoe City has been engaged in the office of Placer Union high school at Auburn for the winter. Her son Pete is now living with her and attending classes at the school, as is Miss Bette Wheat of Tahoe who is taking home economics courses not offered at the Tahoe branch of the school.

Friends of the Charles Trapps at Tahoe were grieved to learn that Dode had lost her little son in a Sacramento hospital last week. Mr. and Mrs. Charles Spalding, her parents, were at the bedside of Mr. Spalding's aged father, 91 year old John Spalding of McCloud when the message called them to her bedside. The elder Mr. Spalding is improved but the infirmities of age are believed taxing his strength.

Mr. and Mrs. Elden Tonini of Truckee and children, Mary Ann and Bobbie, were visitors at the Stanley Martin home Sunday. Along with Stan Jr. the party enjoyed a delicious dinner at Forest Inn which was open over the weekend.

Visitors at the Stanley Martin home Sunday included Mrs. May Morrison, Mrs. S. K. Morrison and Mrs. Laura Mitchell all of Reno, and Mr. and Mrs. Keith McDonald and three daughters of Nevada City, and Mr. and Mrs. Jack McDonald and two sons of Antioch. The latter men are brothers and both attended school in Yerington with the Martins. An interesting afternoon was enjoyed reminiscing and catching up with the latest news of the families.

Wednesday afternoon last week Corrine Ottman was hostess at a party on the Tahoe Commons for her small friends in town. Especially fond of the youngsters, Corrine gave them a picnic lunch and afternoon of games before she left for her winter home in Reno. Those who enjoyed the outing included Jenene Hanley, Rosetta and Belva Rosen, Skipper Pingree, Mary Albers and brother Benny, Duane and Randy Pommin.

Warden Fields, North Tahoe contractor, is engaged in tearing down the north end and west wing of the huge old home which was once the Fleishacker's. It is now owned by Mr. and Mrs. Everett Mills who will erect guest cottages with the material thus secured.

Among local Homewood residents who have been enjoying a bit of horseback riding recently are Pearl

Ruffing, Bob Murray, Jackie Kincaid, Iman Mitchell and Jeanette Franco.

A weiner roast and beach party was held recently at Sunnyside by a group of young people of the Homewood district. Included were Donna Binko, Ailyn Smith, Billy Crouch, Lee Peck, Betty Carrick, Jim Smith, Merle Rose, Blanche Alfred and friend Ada, Gene Greiso, David Graham, Jeanette Franco, Jackie Kincaid, Iman Mitchell, Ellie Murrill, John Abbott, Don Huff Jr., Sue Garrett, Messrs. Vandenberg and Bullyon, Al and Richard, Tahoe Tavern chefs, and Pearl Ruffing.

Mrs. Jeanette Franco gave a party at her home in Tahoe Pines recently in honor of the birthday of Pearl Ruffing. Guests included Lee Peck, Donna Binko, Jim Smith, Jackie Kincaid, Gene Greiso, Whitey Odiski, Iman Mitchell, Ida Stewlow and the honoree.

Mr. and Mrs. Ernie Soto of Auburn visited at the home of the Charles Swansons in Sunnyside during their vacation at Tahoe and Truckee last weekend.

Mr. and Mrs. L. C. Ayers of Fallon, Nevada, enjoyed a visit of several days last week at the home of their daughter, Mrs. Otis Hursey, and family at the Henry Kaiser estate in Tahoe Pines.

Enjoying a visit at their son's Homewood Hotel are Dr. and Mrs. L. J. Huff of Hollywood. On Friday Mrs. Huff enjoyed a dinner party in honor of her natal day. They are remaining indefinitely and are charmed with Tahoe's autumn.

On Friday night guests at the Charles Swansons for music were Jeanette Franco, Jackie Kincaid, Ida Stewlow, Marie Steenis, Iman Mitchell and Lee Peck.

Guests for two weeks at the home of Mrs. Jeanette Franco at Tahoe Pines recently were Mr. and Mrs. Oren Bixler and children, Kathie and Edward, of Glendale.

Here for two weeks vacation to feature fishing and hunting are ex-Tahoeites Mr. and Mrs. Fred Kohler who have been stationed for some time at Imola state hospital. Fred has been employed there for several years. They are former caretakers at the old Hills estate on Truckee River and have many friends in this district. They are staying at Big Chief Camp.

Here to try their luck are two ex-Tahoeites and a friend who arrived Sunday. They are Art Olson, 19 years a resident of Tahoe Pines, and Charlie Pick, formerly of Tahoe City but now of Fairfax. The third member of the trio is Bob Cramer of Oakland.

Mr. and Mrs. George Hatwig of El Cerrito are enjoying a vacation at the Lake Chalets Motel. She is the former Betty Sisk, daughter of the late Jess Sisk and Mrs. Beatrice Sisk. Betty left their little son at home and has been renewing old acquaintances. They left Tuesday for home. She reported her mother, married recently to Floyd Casey of Arkansas, has just returned home from an Oakland hospital where she underwent treatment for a back injury. Betty and her husband have bought Mrs. Casey's El Cerrito home but due to the housing shortage, they still remain living with them.

The Cecil Dempseys recently picked a bad night for "roughing it" by sleeping outdoors. They were driven as far as possible and then packed up the Miller Lake. That night the wind blew like a hurricane, then rain drenched everything and before dawn five inches of snow had fallen. Her father, Floyd Fuson, and her brother Howard drove out the next morning and brought them home to the soft, warm bed of their home.

Mr. and Mrs. Martyn Warner, who sold their home at Tahoe, are now located at Berkeley.

The N. J. Lindenfelds have closed their Meeks Bay place and returned to Los Angeles for the winter.

Mrs. Gerda Kvistberg arrived from Burlingame on Tuesday to spend several weeks at Tahoe.

LEWIS AND CLARK

The Lewis and Clark Expedition arrived at the mouth of the Columbia River in Oregon in November, 1805.

23 ATTEND OPENING SESSION OF SUNDAY SCHOOL AT TAHOE

TAHOE CITY— Twenty-three persons attended the first Sunday School meeting held in community hall on Sunday, September 22, at 10 AM, 12 of these children. W. L. Waters is superintendent and is assisted by his brother, G. D. Waters, who instructs the adults. Howard Mahurin teaches the young people aged 15 to 20, Mrs. W. L. Waters has taken the beginners and Mrs. Emil Sattler instructs the intermediates. Services are non-sectarian and all are welcome. They will be held every Sunday morning at ten.

Work was started on Sunday on the "Chimes of the Holy Night", a Christmas cantata which will be presented here by the group, along with a big

Christmas tree for the youngsters, for the youngsters at Yuletide.

Mrs. Evie Waters invites all Lake Tahoe residents to join the newly formed choral society which held its second practice hour at community center on Wednesday night. Especially needed at this time is a bass. Meetings will be held weekly from on every Wednesday at 8:00 PM. Mrs. Howard Mahurin is piano accompanist.

Level of Lake Tahoe yesterday was 6227.63 feet with only 50 CSF of water leaving the gates. Coolest day of the past week was the 19th when the temperature dropped to 28 degrees and the warmest was 74 on September 21st.

CHIEF OP AT TAHOE HONORED PRIOR TO TUESDAY NUPTIALS

TAHOE CITY— On Tuesday, September 24, Tahoe City's popular chief operator, Miss Catherine Murphy, became Mrs. Fern Macy in the presence of a group of friends. Our Lady of the Snows Catholic church in Reno was the setting for the nuptials with Father Lind officiating. Mrs. Martha Snyder of Lake Forest was matron of honor and Johnnie Perelli, Tahoe golf pro, was best man.

The bride wore an attractive gray suit, hat and bag and black accessories with a shoulder corsage.

Following the wedding a reception was held at the Reno home of Mrs. Margaret Lewis, an old friend.

The just-weds plan to remain for several days in Reno and then proceed to Palm Springs, where the groom will be employed for the winter. The trip will be made by way of Yosemite and other scenic spots.

Mrs. Macy's home is in Visalia and he is a native of Indiana. She has been employed by the Pacific Telephone and Telegraph Company for several years and has been stationed much of the time at Tallac, Reno and Tahoe, where she has a host of friends who will join in wishing the couple a long and happy wedded life. Macy has had charge of the Tahoe Tavern bars for a decade and claims a wealth of friends who wish him heartfelt congratulations.

Last Thursday night her co-workers and other well-wishers arranged a surprise party for her at the local telephone office. Mildred Ross baked a beautiful chocolate cake for the occasion and Mrs. Charlie Spalding concocted one of her delicious burnt sugar creations, coffee and ice cream completing the refreshments.

From the girls in the phone office, the bride-elect received a silver coffee set while the male employees of the company bought her an electric iron. From the Spalding and Dempsey families she unwrapped some of the new modernistic green and brown pottery which comprised a tea set and Mrs. Eleanor Swanson added a colorful salad set. A social hour followed the unwrapping of the gifts, with refreshments being served around 9 PM.

Those attending were Mr. and Mrs. Charlie Spalding, Mr. and Mrs. Cecil Dempsey, Lincoln Dempsey, Ed Riesbeck, Frank Sieler, Marvin Fredrickson, Max Curtis, Charles F. Dodgson, Wayne Herberth, Peg E. Stuart, Sharon Bridegroom, Pat MacDonald, Mildred Ross, Skip Nilson, Fern Macy and the honoree.

On Friday night Mrs. Dorothy Johanson was hostess at a dinner in honor of the bride-elect, guests who enjoyed the tasty repast and social evening including Mrs. Ila Martin, Mrs. Martha Snyder and Miss Murphy. Mrs. Jessie Firpo, who had been invited, was ill and could not be present.

Bill Cope, recently out of the service, has been assisting Tim Butler in the ticket office of Tavern Casino, his old job for many summers before Pearl Harbor.

Members of the local group who attended the Wyethia Club's card party and luncheon on September 19 at Truckee included Mesdames Louise Geler, Beulah Carnell, Elsie Bechdolt, Marie Henry, Ruth Mayfield, Beccy Shontz, Ila Martin, Fred Main and Fern Schlueter. Mrs. Geler was first t auction bridge.

Many New Homes Seen In Tahoe Subdivisions

TAHOE CITY— Many new homes have sprung up in the new residential tracts near Tahoe City within the past month or two. On Canyon Road new residents include the William Bosens, the Edgar Haugens, the R. H. Bradys, the W. J. Rardons, and the

L. D. Smalleys. On Terrace Drive now live the Keith Tacketts, Harold Starks, Don Enfield, S. O. Sholands and R. E. Simpsons. Most of these families are planning on spending the winter at Tahoe and there is a sincere hope that their roads will be kept open as there are a number of school children among the tract residents.

Tahoe Letter

From SWANEE

Tahoe City, California
Sept. 22, 1946

Dear Tahoeites:

What a swellegant and exciting weekend this has been! Tahoe City today had its first parade in a long time, and a grand one it was for so small and scattered a community. The streets were lined with cars and people who greeted the marchers with enthusiasm. Beautiful weather was donated by the powers that be both

for Saturday and Sunday, something hugely appreciated by one and all.

The parade in Truckee on Saturday was one of the finest ever seen there, and unfortunately for late arrivals, it started right on time. The floats and costumes and the carefree mien of the marchers and participants seemed to spread an infectious gaiety over all. Truckee and Tahoe too may well be proud of the excellent showing they made, and well merited by both communities were the flattering comments made by John Q. Public.

Even Pop Swanson threw himself into the spirit of things and paraded with Oscar Schumacher of Truckee, behind a pile of brush on his face that fooled no one. He represented a trapper of the north country with his sno shoes and fur hat, which proved a veritable hotbox before the parade was over. The whiskers are gone now, and I for one am not one whit sorry. It was great fun while it lasted and certainly resembled old-home week, as one bumped into folks they hadn't seen for ages. A great thirst too, descended upon the town as bars were filled to capacity. The American Legion, with the cooperation of citizens and businessmen, did a splendid job and deserve heartiest congratulations. Why don't we do this more often?

his folks the Ben Callenders, is Bill Callender, just out of Navy boot camp at San Diego. He's been enjoying every minute of his leave, including some hunting and fishing. Just where he will be sent next he doesn't know or care much at the moment.

Bob Sayre of Meek's Bay, son of Mr. and Mrs. Everett Sayre, caretakers at the resort, may soon be on his way home around the first of October, if present indications are not altered. He has been at Fort Ord for many months and will more than welcome his release to return to the lake once more.

Went to Reno on Thursday last and visited at the home of Jeanette Franco in Tahoe Pines that evening. Discovered that her husband, the late Fie George Franco who lost his life when his ship was blown to bits, is eligible for a place of honor among the gold star heroes of Bishop Porter's memorial wall at the Episcopal Chapel. Mrs. Franco, who is a niece of Bill Johnston's of El Campo, served as a civilian driver for the Marine Corps all through the war as her part in the war effort...also met a man born and raised in Truckee, who owns a summer cottage at Tahoe Pines where he has been vacationing for several months with his wife. He is Dr. Felbert McKeeve, now living in San Francisco. They have been Sierra Sun subscribers for years. Other guests who had just arrived from San Francisco to enjoy a stay with Mrs. Franco and her mother, Mrs. Ida Stewlow, were Mr. and Mrs. Everett Hartshorn who plan to remain until Monday.

Son Jimmie has encouraging news from his outfit which indicates he may be lucky enough to be able to start back to the good old USA in October or November. Knowing the army, he is not counting on it too strongly as yet, but the word that is circulating appears to give it a strong possibility. He is just marking time for the present and although life is not unpleasant at Wiesbaden, he is powerfully homesick. If he can just get back for Christmas, he'll be satisfied. Here's hoping—still!

During the celebration on Saturday last in Truckee on Saturday last in Truckee my family and I drove up to the turkey shoot, where pop failed to get the bird. But I did meet some old and valued friends in the persons of Mrs. Andy Sorenson of Tahoe Vista and members of her family. With her were her father and mother and a cousin. Her dad, Henry Tucker, now 79, well remembers the stories his father, George W. Tucker, and his grandfather, Reasin Tucker, told of the Donner tragedy, both having had an active part in the rescuing of the survivors. Will sketch his story next week as space is not available this week.

Perhaps the biggest thrill of the past weekend for our family was the "auctioning" off of the little doll house which was built within about 20 minutes by four carpenters on the street in Truckee following the parade. The prefabricated lumber and use of the truck which hauled it were donated by Snyder Lumber Co. and the door and sash were donated by Harold Smith, Homewood builder. It was estimated it would cost around \$350 to duplicate the little building, which has a composition shingled roof. Bids were sold after the parade which terminated at the en-

On the visitors' roster are these names: Hubert Reeves, Auburn; Mrs. Stanley Martin, Tahoe City; Mrs. J. O. Hursey, Tahoe Pines; Mr. and Mrs. L. C. Ayers, Fallon, Nevada; Mrs. Charles Johnson, Walnut Creek.

Transferring to Vacaville this week are Paula and Howard Roloff.

Hubert Reeves, elementary coordinator and supervisor of child welfare, visited Tahoe Lake School September 19. He presented educational films, Animals of the Zoo and Colonial Life in Williamsburg, Virginia. Reeves plans to present sequences of American history films monthly. They will represent the greatest moments in American History so vividly that by the end of the term all pupils will have experienced real knowledge of democracy.

Achievement tests have been given. Report cards are due October 4.

The next general assembly of elementary grades will be September 26 at 11:30 AM. Visitors are welcome at all times.

Beginning Monday, September 23, a half pint of milk is being served each pupil for the mid-morning lunch. The price per pupil will be 30 cents per week.

A tentative calendar has been adopted for the elementary school. It is as follows: Thanksgiving vacation, November 28-29; Winter vacation, Dec. 21 to Feb. 23 inclusive; Summer vacation, begins June 21.

Mr. and Mrs. Gilbert Donaldson and on, David, of Oakland are spending two weeks as houseguests of the A. M. Henrys in Tahoe City. The plan to spend much time fishing and hunting.

trance to the Tavern golf links and within a short time Queen Annie Gallerani selected the winning bid. This was not acknowledged and not identified. The second, just in case the first fails to show, was ours. So now I'm keeping my fingers crossed and hoping the owner of the first is out of town or doesn't want it, as it would make me a grand little den in which to paint and write, away from telephone bells and visitors. This is going to be one long week for me, as I have to wait until one minute after noon next Sunday before I can claim it. And if I decided not to use it myself, I could probably rent it. Already I've had several offers from persons who want to buy it...and it isn't even mine yet...but here's hoping again.

Went to the last show tonight...although the same picture shows tomorrow night. It was Van Johnson in Easy to Wed...a nifty to close down on. The Tavern, despite rumors to the contrary, closed its doors today after lunch. Seems like winter is just about to arrive when resorts close and vacationists and help alike depart for city home...Deer season doesn't look too promising, but those who pack into the back country of Gray Horse and Hell Hole may have good luck, as the experts all believe the early snow sent them back over the mountains into the lower country. Leave you for the week and promise to keep you posted on the hunting parties as they come in...hope this finds you all in the best of health and spirits...as ever...Swanee

DEER HUNTING SEEN MUCH BETTER THAN FORECASTS IN WEEK

TAHOE CITY—The buck season at Tahoe, which started out with such a pessimistic outlook, seems to be developing more favorably as the days go by. Although fewer deer were brought in on opening day than in many years, hunters appear to be meeting with more than fair success. Fred White of the public campgrounds at Tahoe Park reported on Tuesday that two bucks were brought in to his checking station on Monday and two on Tuesday morning. Two were Sacramento men, one Elmer G. Arnold, who got a forked horn, dressing out at 115, in the Ward Creek area; the second was Ed Regan of Sacramento, who got himself a buck with three points on one side and four on the other, shot on Twin Peaks trail which dressel down at 135 pounds. On opening day White checked in two bucks, one a three-pointer shot in Ward Creek district by Chester S. Bush of Napa, which dressed at 125 pounds, and one shot on Twin Peaks by George P. Ward of Alameda. It was a forked horn, dressing out at 110 pounds.

Usher Tucker, local wood man, and his friend, Bob Seelinger of Tahoe City, both brought in nice bucks on opening morning from the Olympic Ski Hill district here. Tucker's was shot in the afternoon, dressing at 150 pounds, and Seelinger's, weighing in at 130, was one the first shot at 7:30 AM. Both were three-pointers.

Glenn Jackson of the state campgrounds just north of Tahoe City got his buck around 9:00 AM on opening day but chose the Portola district instead of Tahoe. He has earned himself the title of "One Shot" Jackson here as he brought down the four pointer with a single shot. Largest buck reported in this district so far was a mute tail shot in the region between Hirschdale and Farad on opening day early in the morning by Stanley Martin of the Sierra Pacific Power Company at Tahoe. It was a four pointer which dressed in at 172 pounds. Frank and Daryl Gallennie of Truckee made up the balance of his party.

White reports the first lady hunter of the Tahoe area to turn in her buck for checking at his station was Mrs. Steve Landa, recent bride of a Tahoe sheep man, of Sacramento. She and her father, Roy Andrain of the capital city, brought in a pair of bucks shortly before noon. Her's was were killer at Bear Pen between a forked horn weighing 110 pounds and his was also a forked horn. They Ward and Blackwood creeks and in Grouse Canyon.

GI Bill Expires After Oct. 6 Says Recruiter

T-Sgt Carr of the Reno Army Recruiting office announced today that the privileges extended to the young men of America under the G.I. Bill of Rights will be discontinued on October 6, 1946. Any man between

the ages of 18 and 34 who cares to take advantage of the G.I. Bill of Rights must be sworn in to the Army by midnight October 5.

Sergeant Carr reminds everyone that the G.I. Bill of Rights entitles a man to 48 months of college with \$500 per year tuition for a three year enlistment. This also includes \$65 per month for living expenses of single men and \$90 per month for living expenses of married men.

Any man who serves 90 days or more is entitled to a loan under the bill to either finance a business or build a home.

"Don't be late and sorry," warns Sgt. Carr. "If you don't understand all of the privileges and advantages of the G. I. Bill of Rights drop in to the Recruiting Office at 219 Post Office Building, Reno. We are here to make things clear to you and we will be more than glad to help you in any way."

SET YOUR SIGHTS

It takes planning to achieve a goal

Some young men know what they want and plan for it. Others are still looking for their niche. The new Regular Army can help both.

Perhaps you want to go to college but can't afford it. If you enlist in the Army, you'll get your chance. Honorably discharged after a three-year enlistment, you are eligible for 48 months of education at any college, trade, or business school for which you can qualify. The Government will pay your tuition, laboratory fees, etc., up to \$500 per ordinary school year, plus \$65 a month living allowance—\$90 a month if you have dependents.

If you haven't found your spot, an Army enlistment offers you training in any of 200 trades and skills. You leave the service eligible for further training at the best civilian schools.

You can assure yourself of the benefits of the GI Bill of Rights if you enter the Army on or before October 5, 1946. See your nearest Army Recruiting Station for details.

HIGHLIGHTS OF REGULAR ARMY ENLISTMENT

1. Enlistments for 1½, 2 or 3 years. (1-year enlistments permitted for men now in the Army with 6 or more months of service.)
2. Enlistment age from 18 to 34 years inclusive (17 with parents' consent) except for men now in Army, who may reenlist at any age, and former service men depending on length of service.
3. A reenlistment bonus of \$50 for each year of active service since such bonus was last paid, or since last entry into service, provided reenlistment is within 3 months after last honorable discharge.
4. A furlough for men who reenlist within 20 days. Full details of other furlough privileges can be obtained from Recruiting Officers.
5. Mastering-out pay (based upon length of service) to all men who are discharged to enlist or reenlist.
6. Option to retire at half pay for the rest of your life after 20 years' service—increasing to three-quarters pay after 30 years' service. All previous active federal military service counts toward retirement.
7. Choice of branch of service and overseas theater (of those still open) on 3-year enlistments.

NEW, HIGHER PAY FOR ARMY MEN

In Addition to Food, Lodging, Clothes and Medical Care

In Addition to Column One at the Right: 20% Increase for Service Overseas. 50% Increase if Member of Flying or Glider Crews. 5% Increase in Pay for Each 3 Years of Service May Be Added.

NEW YORK—Every once in a while, on this magical island between the rivers, you get so strung-up with the glitter and glamor, the garish and the glut of things that are man-made and stony, that you want to sit quietly on grass, beneath a leafy tree, and consort with small furry beasts who are harmless—who don't care who you are or how much dough you're worth—if only you have a few peanuts on you.

So you buy a big bag and go to Central Park, the woodland acreage so fortuitously set in the middle of Manhattan, and feed the friendly squirrels. There's something about having them come trustingly to your hand, pick a peanut from it, and send out a call to their pals off the pathways, that makes you feel human again.

You can't sit there grim and sour, and watch frisk the frolickers that you have made happy. You find yourself chuckling, then inadvertently smiling at passersby and children who stop to watch the fun. And such fun it is, for a few dozen peanuts—such affection you get for ten cents in the Park.

If in the mountains and midlands a squirrel is just something to stalk and shoot at—without giving him the chance to shoot back—in Manhattan he can be a friend in need, and for peanuts!

Assemblyman Supports Tax Appeals Proposal

Californians will pay nearly one billion dollars in taxes this year under basic tax laws that have not changed for 42 years. Assemblyman Harrison W. Call made that observation this week in an endorsement of Proposition Five on the November ballot. The proposal would establish a new state court of tax appeals.

"Despite the phenomenal increase in state-collected taxes from large and small taxpayers," Call said, "we still operate under antiquated court procedures covering appeals from tax levies."

"Furthermore, state tax administrators now enjoy almost arbitrary power in making tax levies and establishing taxation procedures. The new court would have the power to review the rulings of these state employees engaged in taxing the public and this very fact would act as a salutary curb."

Call pointed out also that the new tax court would cut the time involved in litigation over tax matters which, under present court procedures, require as long as two to three

(Held from Sept. 19 Edition) Senior Class Election

An election of senior class officers was held last week which resulted in the following: Benita Mellon, president; Joan Pabst, vice president; Dorothy Parkhurst, secretary; Austina Blattler, treasurer; Leona Phillips, class reporter; Humbert Clar-della, student body council member; Mrs. Dorr, class advisor.

Annual Staff Selected

The Seniors elected the staff of the "Chipmunk" early this year in contrast to former year, hoping to build a better and more complete year book. The following were elected: Jona Pabst, editor; Humbert Clar-della, business manager; Austina Blattler, drama; Leona Phillips, jokes; Dorothy Parkhurst, literary; Joan Owens, society; Alice Waters, girls' sports; Jay Rablin, boy's sports and Benita Mellon, art editor.

New Art Supplies

A box of art supplies arrived at the school last week, which included books on figure proportion, fashion designing and cartooning; poster paper and paint; paint brushes and colored indelible pencils. The supplies are much appreciated by those who enjoy drawing.

"Hunting" Assembly Theme

Mr. Martens gave an assembly on Friday of which the theme was hunting, since deer season is about to begin. Martin Oroz was chairman. Ed Crandall spoke about firearms and their history, while Jay Rablin talked about safe habits of hunting. The rest of the program included a solo by Austina Blattler, a duet at the piano by Ofelia and Eleanor Dominguez, and a solo by Bobbie Jean Dolley.

WASHDAY

can tell you a lot about your Water Heater

How does your water heater "size up" on wash-day? If family use of hot water in bathrooms or kitchen drains down your water heater so you must wait or do your laundry with luke-warm water, your water heater is too small. Modern homes need a water heater with at least 30 gallons water storage capacity. When you build a new or remodel your present home be sure to have your plumber "size up" your hot water needs according to the chart below.

How to "Size up" Hot Water Requirements Minimum Recommendations for Normal, Average Hot Water Service.

Number Bathrooms	Number Bedrooms	Storage Capacity Gallons
1	1 or 2	30
1	3 or 4	40
2	2 or 3	40
2	4 or 5	50
3	3	50
3 or 4	4 or 5	75

Remember, too, a large size water heater costs very little more to operate. It more than pays for itself in worry-free hot water service for the whole family.

MY PLACE in the SUN

by DOUG BARRETT

Ran across this little essay the other day in my waste basket and salvaged same for you to read and, I hope, enjoy it as I did:

THE PRINTING PRESS

I am the printing press, born of the mother earth. My heart is of steel, my limbs are of iron, and my fingers are of brass.... I sing the songs of the world, the oratorios of history, the symphonies of all time.... I am the voice of to-day, the herald of tomorrow. I weave into the warp of the past the woof of the future. I tell the stories of peace and war alike.... I make the human heart beat with passion or tenderness. I stir the pulse of nations, and make brave men do better deeds, and soldiers die.... I am the laughter and tears of the world, and I shall never die until all things return to the immutable dust.... I am the printing press. —Robert Hobart Davis (1869-1942)

AROUND TOWN: The wind changed while he was spraying Frank Titus' Church Street place and for a while it was "Really Red" Jolley.... Ernie DeLisle giving a little muscle propulsion to his Model A to get it away from the curb.... the Centennial really gave us more to see than we could record.... saw Essie and Tony Polyanich posing in their old fashioned rigs for Paul Kettenbach.... Judge George Jones and the missus up for the memorial service Sunday.... Alpha Stoddard "heading back to the wagon, 'cause them shoes were killin' him".... Bill and Irene Englehart and the kids really made a daguerreotype of a 19th
